A-8. IMPORTANT CHANGES DURING THE YEAR

Give concise answers to each of the following, numbering them in accordance with the inquiries. Each inquiry should be answered. If "none" or "not applicable" states the fact, that response should be made. If information which answers an inquiry is given elsewhere in the report, reference to the schedule in which it appears will be sufficient.

1. List extensions of the systems (other than additions supplementing existing facilities of the respondent whether by purchase, construction, donation or otherwise. Give the location, new territory covered, and dates of beginning operation, and in case of purchase give also the name and address of the company from which purchased, date of acquisition, and the total consideration given, monetary and otherwise.
N/A
2. If during the year, a substantial portion or all of the property of the respondent was sold, merged, or abandoned, provide all details, including the location and territory covered. In case of sale or merger, give the effective date, name and address of the successor company, and the consideration given, monetary and otherwise.
N/A
3. Purchase or sale of an operating unit or system: Give a brief description of the property, and of the transactions relating thereto, and reference to Commission authorization, if any, that was required. Give the date of the journal entries, required by the Uniform System of Accounts that were submitted to the Commission.
N/A
4. Estimated increase or decrease in annual revenues due to important rate changes: State effective date and approximate amount of increase or decrease for each revenue classification and the customers affected.
N/A
5. Obligation incurred or assumed by respondent as guarantor for the performance by another of any agreement or obligation, excluding ordinary commercial paper maturing on demand or not later than one year after date of issue: State on behalf of whom the obligation was assumed and amount of the obligation. Give reference to Commission authorization if any was required.
N/A
6. Changes in articles of incorporation or amendments to charter: Explain the nature and purpose of such changes or amendments.
N/A
7. Attach a map defining the territory covered by the respondent's operations. A new map is required when changes in territory have occurred and in each year ending in 0 or 5 (e.g., 1990 or 1995). In all other years reference to the report in which the map last appears will be sufficient.
2000 PUC Annual Report
8. State the annual effect of each important change in wage scales. Include also the effective date and the portion applicable to operations.
N/A
9. State briefly the status of any materially important transactions of the respondent not disclosed elsewhere in this report in which an officer, director, security holder reported on page 6, voting trustee, associated company or known associate of any of these persons was a party or in which any such person had a material interest.
N/A

A-9. FINANCIAL REPORTING DISCLOSURE INSTRUCTIONS

Footnote Disclosure:

Financial information presented in statements included within the New Hampshire Public Utilities Commission Annual Report is in conformance with general accepted accounting principles and the following should be disclosed:

1. Data necessary to prevent the information from being misleading. Accordingly, (a) extraordinary or material, unusual or occurring items; (b) significant principles or practices from those used in the prior year, and (c) the acquisition or disposition, operation, assets or liabilities should be noted.
2. Uncertainties that could affect the fairness of the information, including significant changes in the status of loss contingencies prior year, should be noted.
3. If revenues, costs, or expenses are accrued or deferred in a manner different from that of the prior year, the method used of such accruals or deferrals should be noted.

In accordance with GAAP standards, Bretton Woods Telephone Co., Inc. elected to submit an additional NECA true-up in December, 2004. Historically, the company would submit one true-up each year reflecting the prior year's activity. The company's 2004 financials contain a true-up for both 2003 and 2004. The additional true-up resulted in \$86,881 of increased interstate revenue.

B-14B. BASES OF CHARGES FOR DEPRECIATION

1. Report under each of the plant accounts in column (a) all subclasses of plant for which a depreciation rate is determined and a subtotal for each primary account.
2. The net salvage factors in column (d) shall be shown as a percentage of original cost.
3. A "W" in column (b) indicates a whole life rate in column (f), an average service life in column (c) and average net salvage in column (d); and "R" indicates a remaining life rate in column (f), an average remaining life in column (c), a future net salvage in column (d).
4. For each plant account, report in column (f) the prescribed depreciation rate or those used by the utility in accordance with USOA.
5. The depreciation rate in column (f) for primary plant accounts for which subclasses or vintages are used, the life in column (c), net salvage percentage in column (d) and the accumulated depreciation percentage in column (e) are to be composite so that the resulting calculated composite rate produces the same charge to operating expenses as the sum of the individual rates applied to the individual classes of plant.
