Re: Interconnection Agreement between  
Sprint Spectrum, L.P. and NYNEX

Dear Mr. Getz:

In accordance with Order No. 22,236 dated July 12, 1996, Sprint Spectrum, L.P. (Sprint Spectrum) and New England Telephone and Telegraph Company (NYNEX) hereby file an interconnection agreement between them dated May 8, 1997, and jointly petition the Commission for approval of that agreement pursuant to Section 252(e) of the Telecommunications Act of 1996 (the Act), 47 U.S.C. § 252(e). Also enclosed is a summary of the agreement in support of the parties' request for approval. Should the Commission subsequently request the submission of prefiled testimony, the parties will timely comply with such request.

Sprint Spectrum has been granted authority by the Federal Communications Commission (FCC) to provide commercial mobile radio service (CMRS) in New Hampshire. The FCC has determined that CMRS providers are entitled to interconnection and reciprocal compensation arrangements under Section 251(c)(2) of the Act.<sup>1</sup> The enclosed interconnection agreement has been negotiated by the parties pursuant to Sections 251(c) and 252(a) of the Act.

Under the Act, a state commission may reject a negotiated interconnection agreement such as this one only if the commission finds that the agreement (or any portion thereof) discriminates against a telecommunications carrier not a party to the agreement, or that the agreement's implementation would not be consistent with the public interest, convenience and necessity. 47 U.S.C. § 252(e)(2)(A). The parties respectfully submit that their agreement meets this statutory standard and therefore request that the Commission approve it. Section 252(e)(4) of the Act provides that

## **Summary of Interconnection Agreement under Sections 251 and 252 of the Telecommunications Act of 1996**

This interconnection agreement under Section 251(c)(2) of the Telecommunications Act of 1996 ("Agreement") by and between Sprint Spectrum L.P., a Delaware limited partnership, as agent of and General Partner of WirelessCo L.P., a Delaware limited Partnership d/b/a, Sprint PCS ("Sprint PCS") and New England Telephone and Telegraph Company d/b/a NYNEX ("NYNEX" or "NET") sets forth the terms under which Sprint PCS and NYNEX will connect their respective networks, as well as the services and other arrangements that NYNEX will provide to Sprint PCS.

The Agreement was executed on May 8th, 1997, subject to approval by the Commission. The following is an executive summary of the Agreement which serves to highlight and discuss the major provisions of the Agreement.

### **EXECUTIVE SUMMARY**

#### **Section 1.0 - Definitions**

This section contains twenty two definitions, all of which are standard in the industry.

#### **Section 2.0 - Interpretation and Construction**

#### **Section 3.0 - Scope**

Section 3.0 limits the parties' agreement to the specific interconnection arrangements described in the Agreement. Neither party is required to provide interconnection arrangements not specified in the Agreement.

#### **Section 4.0 - Description of Arrangements**

Both parties will interconnect their respective networks based upon a Type 2A (FG 2A) interconnection service as specified in NYNEX's intrastate access tariff ( New Hampshire PUC No. 79) and a Type 1 (Flexpath) interconnection service as specified in NYNEX's intrastate exchange tariff (New Hampshire PUC No. 77).

On an interim basis until such time as NYNEX offers FG 2A interconnection for the following call types, Sprint PCS must utilize Type 1 interconnection service to reach local operator service, Directory Assistance, and service access codes. Type 1 is specified in NYNEX's intrastate exchange tariff (New Hampshire PUC No. 77) as Flexpath Service.

In accordance with the PUC No. 79 Tariff, FG 2A may have access to a Feature Group D Trunk group or groups at access tandem switches designated by NYNEX where interLATA Feature Group D (FG D) switching is provided.

## Section 5.0 - Compensation Arrangements

The parties agree to jointly determine a methodology independent of this Agreement to identify Local Traffic. Based on this methodology, Sprint PCS shall provide NYNEX with a Percent Local Usage (PLU) factor on a quarterly basis. This initial PLU factor will be used for the first three months after the effective date of this Agreement, and may be used beyond the first three months if both parties agree. Sprint PCS will also provide NYNEX with a Percent Interstate Usage (PIU) factor on a quarterly basis. The PLU factor is applied to total minutes of use (excluding IXC Traffic) to obtain the split of Local and non-Local minutes of use. Then, the PIU will be applied to the Non-Local minutes of use for application and billing of interstate and intrastate access charges, as appropriate. NYNEX shall not charge Sprint PCS for LEC originated traffic delivered to Sprint PCS pursuant to the Act except for discretionary reverse billing options, such as FG 2A, Calling Plan 2. The parties agree to the following schedule of rates and charges. All rates reflected below are per minute of use (MOU).

	Reciprocal	Call A**	Call B**
Type 1	\$.0080	\$.0080	\$.0080
	Reciprocal	Per MOU -All*	
Type 2A	\$.0150	\$.0150	

\*\*Additional Charges may apply on Type 1 calls that terminate beyond the end office. Sprint PCS will pay non-recurring charges to establish required Type 1 and FG 2A interconnection facilities.

### 5.3 Reciprocal Compensation

NYNEX will pay Sprint PCS for Local calls originated by NYNEX customers which terminate to a wireless service provided by Sprint PCS. Sprint PCS will pay NYNEX for calls originated by Sprint PCS customers which terminate on the NYNEX network. The reciprocal compensation rate for Type 1 will be \$.0080 per MOU. The reciprocal compensation rate for Type 2A will be \$.0150 per MOU. Until such time as either Party can record the minutes of use originated on NYNEX's network and terminated on Sprint PCS's Network via Type 1 interconnection (Land to Mobile Type 1 Minutes of Use), both parties agree that the "Land to Mobile Type 1 Minutes of Use" will be estimated based on the ratio of Type 2 Land to Mobile Minutes of Use per Type 2 Telephone number in a given month.

Sprint PCS agrees to pay all non-recurring and service establishment charges associated with trunks required for future Sprint PCS growth as required under the terms of Section 8 and at rates and charges described in New Hampshire PUC No. 77 for Type 1 and No. 79 for Type 2.

Each party will bill the other for terminating intraLATA Non-Local traffic at the appropriate intrastate access tariff rate in effect at the time. Both parties agree that the percentage of traffic to be considered Non-Local will be the same in both directions.

#### **6.0 - Notice of Changes**

If a party makes a change in its network which it believes will materially affect the interoperability of its network with the other party, the party making the change shall provide at least ninety (90) days advance written notice of such changes to the other party.

#### **7.0 - Number Resources Assignments**

NYNEX shall continue to assign to Sprint PCS NXX codes in accordance with national guidelines as established in the Act and at no cost to Sprint PCS.

#### **8.0 - General Responsibilities of Parties**

Each party will exchange technical descriptions and forecasts of traffic requirements, will maintain facilities within its own network, will not interfere with the other party's system, will cooperate with the other to minimize fraud, and will utilize an electronic order entry system developed by NYNEX and installed at Sprint PCS premises for placing orders, among other provisions generally allocating duties and obligations to the parties.

#### **9.0 - Term and termination**

The initial term of this Agreement shall be one year which shall commence on the effective date. At the end of the term (and each term thereafter), the Agreement shall automatically renew for one year periods, absent the receipt by one party of written notice from the other party at least sixty (60) days prior to the expiration of the term to the effect that such party intends to terminate this Agreement.

#### **10.0 - Disclaimer of Representations and Warranties**

Except as expressly provided under this Agreement, no party makes or receives any warranty, express or implied, with respect to the services, functions and products it provides under or contemplated by this Agreement and the parties disclaim the implied warranties of merchantability or of fitness for a particular purpose.

#### **11.0 Cancellation Charges**

Except as provided in the Agreement or applicable tariff, no cancellation charges apply.

#### **12.0 - Non Severability**

The services, arrangements, interconnection, terms and conditions of this Agreement were mutually negotiated by the parties as a total arrangement and are intended to be non-severable.

#### **13.0 - Indemnification**

The parties agree to mutual indemnification provisions.

#### **14.0 - Limitation of Liability**

The parties agree to mutual limitations upon their liability to each other.

#### **15.0 Regulatory Approval**

The parties agree to mutually support regulatory approval of the Agreement without modification, but also to negotiate in good faith to modify the Agreement (or any portion thereof) should the Commission or the FCC reject the Agreement.

#### **16.0 - Pending Judicial Appeals and Regulatory Reconsideration**

Appeals of the FCC's First Report and Order in CC Docket No. 96-98 are pending in the Eighth Circuit Court of Appeals. In addition, Petitions for Reconsideration of the First Report and Order have been filed with the FCC. The Parties are free to negotiate amendments to this Agreement based on the outcome of decisions of the Court of Appeals, FCC or the Commission if they so desire. This Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

#### **17.0 Miscellaneous**

This provision contains standard language on corporate authority, disclaimer of joint venture or agency relationship, Force Majeure, confidentiality, governing law, taxes, assignability, waiver of rights, billing disputes, notices, publicity and use of trademarks among other standard provisions found in commercial contracts.

#### **18.0 - Tandem Transit Service ("Transit Service")**

To permit the parties to complete the negotiation and execution of an interconnection Agreement at this time, the parties agree that NYNEX will, at a future date, propose arrangements for transit service

## **3.0 SCOPE**

This Agreement is intended to describe and enable specific Interconnection and arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein. NYNEX and SPRINT PCS agree that this Agreement, if performed by NYNEX, is satisfactory to them as an agreement under the Act for the term of this agreement with respect to those obligations addressed hereunder. SPRINT PCS represents that it is a CMRS provider.

## **4.0 SERVICE AGREEMENT**

4.1 Description Of Arrangements

This Agreement provides for the provision and maintenance of the following Interconnection arrangements between the networks of SPRINT PCS and NYNEX:

4.1.1 Description. Both parties will interconnect their respective networks based upon a Type 2A [ Feature Group 2A ( "FG2A" ) ] interconnection service and a Type 1 (Flexpath) interconnection service as specified in NYNEX's intrastate access tariff (New Hampshire PUC No. 77 and No. 79 tariffs).

FG2A interconnection arrangements provide trunk side connections to NYNEX access tandems. Under a FG2A arrangement the wireless carrier's Mobile Telephone Switching Office (MTSO) functions like a Central Office Switch and the FG2A interconnection facility acts like an interoffice trunk. FG2A interconnection may be used to access valid NXX codes within the LATA. FG2A is normally provisioned with a dedicated NXX code (10,000 numbers) and is provisioned through a digital interface. FG2A is a two way service for originating and terminating traffic between the Parties' respective networks.

On an interim basis until such time as NYNEX offers FG2A interconnection for the following call types, SPRINT PCS must utilize Type 1 interconnection service to reach local operator service (0- & 0+), Directory Assistance, N11 codes (411,911,etc.) , and Service Access Codes (800, 900, etc. ). Type 1 is specified in NYNEX's intrastate exchange tariff (New Hampshire PUC No. 77) as Flexpath Service. Type 1 is provided from suitably equipped electronic end offices and consists of an analog or digital facility arranged for two way service operation and an associated end office connection which switches messages to and from the facility. A group of seven digit numbers assigned by NYNEX are associated with the end office providing the service. Type 1 is normally provisioned with blocks of either 100 or 1000 numbers and is provisioned through a digital interface. As soon as feasible SPRINT PCS will use best efforts to reconfigure its network to utilize Signaling System Seven ("SS7") facilities to reach local operator services: (0- & 0+), Directory Assistance, N11 codes (411,911,etc.), and Service Access codes (800,900, etc.).

4.1.2 In accordance with the PUC No. 79 tariff, FG2A may have access to a Feature Group D trunk group or groups at access tandem switches designated by NYNEX where interLATA Feature Group D ("FGD") switching is provided. SPRINT PCS has previously instructed NYNEX to transport all traffic originated by SPRINT PCS that is destined for an interexchange carrier to Sprint LD Corp. and its subsidiaries. NYNEX agrees to transport all such traffic originated by SPRINT PCS to Sprint LD or, if specified in advance in writing by SPRINT PCS to NYNEX, to any other FGD provider. All charges for interLATA transport are billed to the FGD customer in accordance with the appropriate access tariff.

4.1.3 FG2A, and Type 1 interconnection services are provided as trunk side switching through the use of end office switch trunk equipment with Multifrequency ("MF") and/or Signaling System Seven ("SS7") Address signaling in both the originating and terminating directions.

## 5.0 COMPENSATION ARRANGEMENTS

5.1 Description. For purposes of this Agreement, the term "Traffic" shall refer to all Local and Non-Local Traffic. The Parties agree to jointly determine a methodology, independent of this agreement, to identify Local Traffic. Based on this methodology, SPRINT PCS shall provide NYNEX with a Percent Local Usage (PLU) factor on a quarterly basis. This initial PLU factor will be used for the first three (3) months after the effective date of this Agreement, and may be used beyond the first three (3) months if both Parties agree. SPRINT PCS will also provide NYNEX with a Percent Interstate Usage (PIU) factor on quarterly basis. The factors will be applied as follows :

First, the PLU factor is applied to total minutes of use (excluding IXC Traffic) to obtain the split of Local and Non-Local minutes of use. Then, the PIU will be applied to the Non-Local minutes of use for application and billing of interstate and intrastate access charges, as appropriate.

5.2 NYNEX shall not charge SPRINT PCS for LEC originated Traffic delivered to SPRINT PCS pursuant to the Act except for discretionary reverse billing options, such as FG2A, Calling Plan 2, which SPRINT PCS may request in lieu of NYNEX charging its end users for the origination of calls to SPRINT PCS's end users. Even in cases of reverse billing, NYNEX will pay Sprint PCS the corresponding reciprocal compensation charge which is due Sprint PCS for the termination of such LEC-originated call. Nothing herein shall be construed to limit the ability of either party to terminate traffic with one another via terminating access arrangements other than FG2A.

5.2.1 The Parties agree to the following schedule of rates and charges. All rates reflected below are per Minute of Use (MOU).

Type One	<u>Reciprocal</u> \$0.0080	<u>Call A**</u> \$0.0080	<u>Call B**</u> \$0.0080
Type 2	<u>Reciprocal</u> \$0.0150	<u>Per MOU - All**</u> \$0.0150	

\*\*Additional charges may apply on Type 1 for calls that terminate beyond the end office.

SPRINT PCS will pay nonrecurring charges to establish required Type 1 and FG2A interconnection facilities.

5.3 Reciprocal Compensation. Reciprocal Compensation only applies to the transport and termination of Local Traffic which originates on NYNEX's network for termination on SPRINT PCS's network. NYNEX will not compensate for calls that do not originate on NYNEX's network, i.e., calls originating on the network of an interexchange carrier ("IXC"), independent telephone company, competing local exchange carrier, or

another cellular or wireless carrier. NYNEX will pay SPRINT PCS for Local calls originated by NYNEX customers which terminate to a wireless service provided by SPRINT PCS. SPRINT PCS will pay NYNEX for calls originated by SPRINT PCS customers which terminate on the NYNEX network. The Reciprocal Compensation rate for Type 1 will be \$0.0080 per MOU. The Reciprocal Compensation rate for Type 2A will be \$0.0150 per MOU. The preceding figure is a weighted average of day, evening, and night rates listed in Section 5.2.1 based on the estimated relative proportions of day, evening, and night corresponding to LEC-originated calls. Until such time as either Party can record the minutes of use originated on NYNEX's network and terminated on SPRINT PCS's network via Type 1 interconnection ("Land to Mobile Type 1 Minutes of Use"), both Parties agree that the "Land to Mobile Type 1 Minutes of Use" will be estimated based on the ratio of Type 2 Land to Mobile Minutes of Use per Type 2 telephone number in a given month. For example:

Actual Type 2 Land to Mobile Minutes of Use	520,000
Number of Type 2 Telephone Numbers	50,000
Ratio (Minutes/Numbers)	10.4:1
Number of Type 1 Telephone Numbers	3,200
Estimated Type 1 Land to Mobile Minutes of Use	33,280
(10.4 * 3,200=33280)	

5.4 SPRINT PCS agrees to pay all nonrecurring and service establishment charges associated with trunks required for future SPRINT PCS growth as required under the terms of Section 8 and at rates and charges described in New Hampshire PUC No. 77 and 79 tariffs. NYNEX and Sprint PCS shall mutually determine the engineering blocking criteria and required trunking to serve SPRINT PCS's traffic requirements. Additions in excess of the recommended trunking level will be charged to SPRINT PCS on both a recurring and nonrecurring basis and at full monthly charges pursuant to the New Hampshire PUC Tariffs for such facilities. The FG2A arrangements shall be engineered to be objective P.01 grade of service.

5.5 Each Party will bill the other for terminating intra-LATA Non-Local Traffic at the appropriate intrastate access tariff rate in effect at the time. Both Parties agree that the percentage of traffic to be considered Non-Local will be the same in both directions.

5.6 Where SPRINT PCS Interconnects with NYNEX by purchasing facilities from NYNEX and these facilities are used for two-way traffic, the applicable recurring charges (if any) for such facilities to SPRINT PCS will be reduced by a percentage equal to the percentage of traffic on such facilities which originates on NYNEX's network and terminates on SPRINT PCS's network. The Parties agree to review the percentage rate every six months.

**6.0 NOTICE OF CHANGES**

If a Party makes a change in its network which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party.

## **7.0 NUMBER RESOURCES ASSIGNMENTS**

NYNEX shall continue to assign to SPRINT PCS NXX codes in accordance with North American Numbering Plan guidelines as established in the Act and at no cost to SPRINT PCS.

## **8.0 GENERAL RESPONSIBILITIES OF THE PARTIES**

8.1 The Parties shall exchange technical descriptions and forecasts of their Interconnection and traffic requirements in sufficient detail necessary to establish the Interconnections required to assure traffic completion.

8.2 Thirty (30) days after the Effective Date and each quarter during the term of this Agreement, SPRINT PCS shall provide NYNEX with a six (6) calendar month, non-binding forecast of its traffic and volume requirements for the services provided under this Agreement in the form and in such detail as agreed by the Parties. The Parties agree that each forecast provided under this Section shall be deemed "Proprietary Information".

8.3 Each Party is individually responsible to provide facilities within its network which are necessary for routing, transporting, measuring, and billing traffic from the other Party's network and for delivering such traffic to the other Party's network in the standard format compatible with NYNEX's network as defined in Bellcore T.R. 145 and to terminate the traffic it receives in that standard format to the proper address on its network. Such facility shall be designed based upon the description and forecasts provided under Section 8 above. The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan.

8.4 Neither Party shall use any service related to or using any of the Services provided in this Agreement in any manner that materially interferes with other persons in the use of their service, prevents other persons from using their service, or otherwise materially impairs the quality of service to other carriers or to either Party's Customers, and either Party may discontinue or refuse service if the other Party violates this provision. Upon such violation, either Party shall provide the other Party, a mutually agreed upon, notice at the earliest practicable time.

8.41 The Parties agree to meet and negotiate in good faith to arrive at mutually agreeable procedures for resolving such interference and impairment of the quality of service.

8.5 Each Party is solely responsible for the services it provides to its Customers and to other Telecommunications Carriers, except as otherwise provided in Sections 13 and 14 of this Agreement.

8.6 The Parties shall work cooperatively to minimize fraud associated with third-number billed calls, calling card calls, and any other services related to this Agreement.

8.7 Each Party is responsible for administering NXX codes assigned to it.

8.8 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of CLLI codes assigned to its switches.

8.9 Each Party shall use the LERG published by Bellcore or its successor for obtaining routing information and shall provide all required information to Bellcore for maintaining the LERG in a timely manner.

8.10 NYNEX and SPRINT PCS shall program and update their respective Central Office Switches and End Office switches and network systems to recognize and route traffic to NXX codes assigned to SPRINT PCS. Except as mutually agreed or as otherwise expressly defined in this Agreement, neither Party shall impose any fees or charges on the other Party for such activities.

8.11 At all times during the term of this Agreement, each Party shall keep and maintain in force at each Party's expense all insurance required by law (e.g., workers' compensation insurance) as well as general liability insurance for personal injury or death to any one person, property damage resulting from any one incident, automobile liability with coverage for bodily injury for property damage. Upon request from the other Party, each Party shall provide to the other Party evidence of such insurance (which may be provided through a program of self insurance).

8.12 Within ten days of the date on which a fully tested, electronic order entry system developed by NYNEX which is suitable for efficient electronic delivery of orders by SPRINT PCS to NYNEX has been completely installed on SPRINT PCS's premises, all orders placed by SPRINT PCS with NYNEX shall be electronically transmitted in a format with sufficient detail to be accommodated by NYNEX's electronic order entry systems. Orders not placed electronically after that date may be subject to a service charge of \$100 per order, except for those orders not electronically placed because of problems at NYNEX in receiving the order or because of a power outage or other circumstances outside of SPRINT PCS'S control.

## **9.0 TERM AND TERMINATION**

9.1 The initial term of this Agreement shall be one year (the "Term") which shall commence on the Effective Date. At the end of the Term (end each Term thereafter) the

Agreement shall automatically renew for one year periods, absent the receipt by one Party of written notice from the other Party at least sixty (60) days prior to the expiration of the Term to the effect that such Party intends to terminate this Agreement (with or without cause). Upon written notice by one Party that it intends to terminate this Agreement, the Parties will commence negotiation of a new interconnection agreement within fifteen (15) days. If, after 135 days of commencing negotiations the Parties are unable to successfully negotiate new local interconnection terms, conditions and prices, either Party may petition the Commission to establish appropriate local interconnection arrangements pursuant to 47 USC S 252. Until the revised interconnection arrangements become effective, the Parties shall continue to exchange traffic pursuant to the terms and conditions of this Agreement.

9.2 Except as provided in paragraph 17.9, payment of all amounts owed under this Agreement and handling of disputed amounts will be governed by the New Hampshire PUC No. 77 and No. 79 tariffs including but not limited to all remedies for non-payment, without prejudice to any other remedies available at law or equity.

9.3 Upon termination or expiration of this Agreement in accordance with this Section each Party shall comply immediately with the following obligations:

(a) each Party shall promptly pay all undisputed amounts (including any late payment charges) owed under this Agreement;

(b) each Party's indemnification obligations shall survive termination or expiration of this Agreement.

9.4 Except as provided herein, no remedy set forth in this Agreement is intended to be exclusive and each and every remedy shall be cumulative and in addition to any other rights or remedies now or hereafter existing under applicable law or otherwise.

## **10.0 DISCLAIMER OF REPRESENTATIONS AND WARRANTIES**

EXCEPT AS EXPRESSLY PROVIDED UNDER THIS AGREEMENT, NO PARTY MAKES OR RECEIVES ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE SERVICES, FUNCTIONS AND PRODUCTS IT PROVIDES UNDER OR CONTEMPLATED BY THIS AGREEMENT AND THE PARTIES DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE.

## **11.0 CANCELLATION CHARGES**

### 17.4 Confidentiality.

17.4.1 Any information such as specifications, drawings, sketches, business information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a "Disclosing Party") that is furnished or made available or otherwise disclosed to the other Party or any of its employees, contractors, agents or Affiliates (its "Representatives" and with a Party, a "Receiving Party") pursuant to this Agreement ("Proprietary Information") shall be deemed the property of the Disclosing Party. Proprietary Information, if written, shall be marked "Confidential" or "Proprietary" or by other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable

to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, it (i) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be used only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of use in writing by the Parties. Notwithstanding the foregoing sentence, a Receiving Party shall be entitled to disclose or provide Proprietary Information as required by any governmental authority or applicable law only in accordance with Section 17.6.2.

17.4.2 If any Receiving Party is required by any governmental authority or by applicable law to disclose any Proprietary Information, then such Receiving Party shall provide the Disclosing Party with written notice of such requirement as soon as possible and prior to such disclosure. The Disclosing Party may then either seek appropriate protective relief from all or part of such requirement; in any event if it fails to successfully do so within the time period by which the receiving Party must respond, it shall be deemed to have waived the Receiving Party's compliance with Section 17.6.1 with respect to all or part of such requirement. The Receiving Party shall use all commercially reasonable efforts to cooperate with the Disclosing Party in attempting to obtain any protective relief which such Disclosing Party chooses to obtain.

17.4.3 In the event of the expiration or termination of this Agreement for any reason whatsoever, each Party shall return to the other Party or destroy all Proprietary Information and other documents, work papers and other material (including all copies thereof) obtained from the other Party in connection with this Agreement and shall use all reasonable efforts, including instructing its employees and others who have had access to such information, to keep confidential and not to use any such information, unless such information is now, or is hereafter disclosed, through no act, omission or fault of such Party, in any manner making it available to the general public.

Whenever possible, these amounts shall be billed as a separate item on the invoice. To the extent a sale is claimed to be for resale tax exemption, the purchasing Party shall furnish the providing Party a proper resale tax exemption certificate as authorized or required by statute or regulation by the jurisdiction providing said resale tax exemption. Failure to timely provide said resale tax exemption certificate will result in no exemption being available to the purchasing Party.

17.7 Non-Assignment. Each Party covenants that, if it sells or otherwise transfers to a third party, it will require as a condition of such transfer that the transferee agree to be bound by this Agreement with respect to services provided over the transferred facilities. Except as provided in this paragraph, neither Party may assign or transfer (whether by operation of law or otherwise) this Agreement (or any rights or obligations hereunder) to a third party without the prior written consent of the other Party which consent will not be unreasonably withheld; provided that either Party may assign this Agreement to a corporate Affiliate or an entity under its common control or an entity acquiring all or substantially all of its assets or equity by providing prior written notice to the other Party of such assignment or transfer. Any attempted assignment or transfer that is not hereunder is void ab initio. 17.9 Billing Dispute Resolution. Except as otherwise provided herein, any dispute, controversy or claim (individually and collectively, a "Billing Dispute") concerning billing or payment obligation of either party arising under this Agreement shall be resolved in accordance with this procedures set forth in this section. In the event of a Billing Dispute between the Parties relating to this Agreement and upon the written request of either Party, each of the Parties within seven (7) days of the date of such written request shall appoint a designated representative who has authority to settle the Billing Dispute and who is at a higher level of management than the persons with direct responsibility for administration of this Agreement. The designated representatives shall meet as often as they reasonable deem necessary in order to discuss the Billing Dispute and negotiate in good faith in an effort to resolve such Billing Dispute. The specific format for such discussions will be left to the discretion of the designated representatives, however, all reasonable requests for relevant information made by one Party to the other Party shall be honored. If the Parties are unable to resolve the issues related to a Billing Dispute within thirty (30) days after the Parties' appointment of the designated representatives as set forth above, then either Party may file a petition with the Commission for resolution of the Billing Dispute. In the case of disputed amounts under an invoice to a Party under this Agreement ("Disputed Amounts"), the Disputed Amounts shall promptly be deposited in escrow in accordance with section 17.9.1(ii) of this Agreement upon a filing, by either Party, of a petition for resolution by the Commission.

If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall within thirty (30) days of its receipt of the invoice containing such disputed amount give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-

Paying Party (i) shall pay when due all undisputed amounts to the Billing Party and (ii) shall pay all Disputed Amounts into an interest bearing escrow account with a third party escrow agent mutually agreed upon by the Parties. The Parties agree to use their respective diligent and good faith efforts to fulfill their obligations under this agreement.

Except for provisions herein expressly authorizing a Party to act for another, nothing in this Agreement shall constitute a Party as a legal representative or agent of the other Party, nor shall a Party have the right or authority to assume, create or incur any liability or any obligation of any kind, express or implied, against or in the name of or on behalf of the

other Party unless otherwise expressly permitted by such other Party. Except as otherwise expressly provided in this Agreement, no Party undertakes to perform any obligation of the other Party, whether regulatory or contractual, or to assume any responsibility for the management of the other Party's business.
