**Procedural Order Re: Closing Docket**

On August 26, 2022, the Commission issued Order No. 26,672, an order *nisi* granting New Hampshire Transmission, LLC's (NHT's) petition for authority to construct, own, operate, and finance new electric energy transmission equipment and other appurtenant infrastructure. Order No. 26,672 set a deadline of September 16, 2022 for filing comments and requests for a hearing, but none was filed. It also stated that the order would become effective on September 28, 2022, unless NHT failed to comply with its publication obligation or the Commission issued a supplemental order before this date, neither of which occurred. Accordingly, this docket is now closed.

So ordered, this twenty-sixth day of October, 2022.
