

## EM&V Working Group Meeting

February 20, 2018

9:00 AM-11:00 AM

---

### AGENDA

#### (1) Follow Up from Last Meeting

- Recommendations tracking spreadsheet—updated based on feedback
- Posting items on NHPUC site
  - Agenda, rec tracking sheet, strategic evaluation plan, final evaluation reports

#### (2) Research Area Updates

- **Residential**
  - ENERGY STAR Products – PA interviews conducted. Has everyone received invoices? Was the cost split correct?
- **C&I**
  - Small Business/Muni Lighting – all loggers installed (285 loggers, 30 sites). Draft report 4/6.
- **Cross-Cutting** (no studies currently)

#### (3) Topic Updates

- Evaluation RFP
  - Updated timeline for RFP (see below) – moved back by 2 weeks (issue later today)
  - Plans for staggering work?
- Technical Reference Manual
  - Potential scope, RFP approach, etc.
- Avoided Energy Supply Cost study

#### (4) Working Group updates

- Status of staff consultant RFP?
- NEEP
- Strategic Evaluation Plan presentation to EESE board, per plan

#### Tentative timeline for RFP:

- RFP Release – **February 20**
- Questions from bidders - **February 28**
- Utility answers – **March 7**
- Proposals due – **March 23** (3:00 pm EST)
- Contract awarded – **April 13**
- Draft work plans due – **May 4**
