Friday March 21, 2014  
9 a.m. – noon  
Public Utilities Commission  
21 South Fruit Street, Concord, New Hampshire  
Room 103

### AGENDA

1. **Welcome and Introductions**
2. **Minutes of February EESE Board Meeting**
3. **Distributed Generation - Challenges and Opportunities**  
[Richard Sedano](#), Principal and US Programs Director for the Regulatory Assistance Project (RAP), discusses the growing success of distributed generation resources, the challenges this success poses to traditional utility and regulatory models and a range of possible policy options.
4. **BREAK**
5. **Outreach and Education Committee**
6. **[SustainX](#) - Distributed Generation Storage - It's here!**  
Adam Rauwerdink, Manager, Business Development – will discuss innovative compressed-air storage technology, developed by SustainX at Dartmouth's incubator and now based in Seabrook, NH. He will explain the technology and how it can support significant scaling up of intermittent renewable energy from wind and solar.
7. **Board and Program Updates**
  1. **Legislative**
  2. **PUC**
  3. **OEP**
  4. **Other**
