**ENERGY EFFICIENCY AND SUSTAINABLE ENERGY BOARD**

RSA 125-O:5-a  
21 South Fruit Street, Suite 10  
Concord, N.H. 03301-2429

**Outreach and Coordination Work Group**

Relevant statutory duty:

(a): Review available energy efficiency, conservation, demand response, and sustainable energy programs and incentives and compile a report of such resources in New Hampshire.

(e): Explore opportunities to coordinate programs targeted at saving more than one fuel resource, including conversion to renewable resources and coordination between natural gas and other programs which seek to reduce the overall use of nonrenewable fuels.

(f): Develop tools to enhance outreach and education programs to increase knowledge about energy efficiency and sustainable energy among New Hampshire residents and businesses

(i) Work with community action agencies and the office of energy and planning to explore ways to ensure that all customers participating in programs for low-income customers and the Low Income Home Energy Assistance Program (LIHEAP) have access to energy efficiency improvements, and where appropriate, renewable energy resources, in order to reduce their energy bills.
