	<b>Questions</b>	<b>Answers</b>
1.	How does the order <i>nisi</i> recently issued by the Commission, Order No. 26,444 (January 21, 2021), affect RFP #2021-004?	The Commission issued Order No. 26,444 to approve the use of a competitive solicitation process for fiscal year 2021 to select projects to be funded by the Renewable Energy Fund's Low and Moderate Income Program. The order was issued on a <i>nisi</i> basis to allow interested persons the opportunity to submit comments or request a hearing before the order becomes effective on February 4, 2021. The order authorized issuance of this RFP while the <i>nisi</i> period is pending, with a proposal due date after the effective date of the order. Unless the Commission provides otherwise in a supplemental order issued prior to February 4, the order will become effective on that date and the RFP due date of February 26, 2021 will remain in effect.
