Re: *In re Freedom Ring Communications, LLC d/b/a BayRing Communications — Complaint
Against Verizon New Hampshire Re: Access Charges, DT 06-067*

Dear Ms. Howland:

One Communications requests an extension of time until Wednesday, January 28, 2009, for Verizon and One Communications to exchange their calculations of One Communications' claim for reparations, and to provide the same to the Staff.

It has taken One Communications longer than anticipated to obtain some of the information necessary for the calculation. This short extension will enable One Communications to compile a more complete and accurate calculation. No party will be prejudiced and the extension will not meaningfully delay the proceedings.

Mr. Alex Moore of Verizon and Ms. Lynn Fabrizio of the Staff informed me in telephone conversations that they have no objection to this request. In addition, although One Communications does not believe that any other party is affected by this request, at the suggestion of the Staff I informed the electronic service list by email this morning that I intended to make this request, and asked the parties to inform me if they had any objection. No party has responded.

Thank you for your consideration. Please contact me if you have any questions.

Very truly yours,
