***Re: DT 06-067, BayRing Communications Complaint Against
Verizon New Hampshire Regarding Access Charges***

Dear Ms. Howland:

This letter is submitted to inform Commission Staff and the other parties to the above-captioned matter that BayRing and Verizon will not be submitting an agreed statement of facts as originally discussed at the August 11, 2006 technical session. In attempting to develop an initial draft statement for Verizon's review, and upon further reflection, BayRing has concluded that there are few issues upon which BayRing and Verizon would likely agree. Accordingly, BayRing does not wish to devote the time and expense to a drafting and negotiating exercise which would either be unproductive or result in a stipulation of fact that would not be very helpful to the Commission in deciding this matter.

In light of the foregoing, I contacted Attorney DelVecchio and discussed with him BayRing's plan not to go forward with drafting an agreed statement of facts for his review. Attorney DelVecchio indicated that he understood BayRing's position and did not indicate any objection to it.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

Susan S. Geiger
