Re: *In re Freedom Ring Communications, LLC, d/b/a BayRing Communications —  
Complaint Against Verizon New Hampshire Regarding Access Charges, DT 06-067*

Dear Ms. Howland:

Through inadvertence, the paper copies of the Competitive Carriers' Motion to Compel Responses to Discovery filed with the Commission yesterday did not include the attachment, a copy of FairPoint's October 2009 response to data request One Comm-11. (The electronic copies that I emailed to you and the service list did include the attachment.)

Therefore, I enclose seven copies of the attachment and request that they be included in the Commission's files along with the Competitive Carriers' motion.

I regret and apologize for the inconvenience to the Commission. Thank you, and please contact me if you have any questions.

Very truly yours,

A handwritten signature in blue ink that reads "Gregory M. Kennan".
