Re: PSNH Least Cost Integrated Resource Plan
Docket No. DE 07-108

Dear Secretary Howland:

Enclosed please find an original and six copies of revised pages to Public Service Company of New Hampshire's (PSNH) Least Cost Integrated Resource Plan filed on September 28, 2007. During the course of responding to data requests, PSNH discovered some errors that should be corrected. Pages 93, 156, 157, and 158 have been revised as follows:

1. Updated net present value of revenue requirement number for the biomass facility in Exhibits G-1 and G-2 on pages 156 and 157
2. Updated revenue requirements rating for biomass facility in Exhibit G-3 on page 158
3. Updated final project ranking in Exhibits G-4 on page 158 and V-15 on page 93 as a result of the rating change for the biomass facility

Attached are two sets of updated pages. One is a redlined version showing the changes and the other is the corrected version without edit marks. Please allow PSNH to amend its plan accordingly and insert the revised pages in PSNH's September 28, 2007

Copies of this letter and the attachments have been provided to the persons on the attached service list pursuant to Puc§ 203.02 .

Very truly yours,

Gerald M. Eaton
