Re: Aggregator Re-registration Roy Morrison & Associates LLC

I am submitting this letter to re-register Roy Morrison & Associates LLC (RMA) as an electricity aggregator. We are registered with the New Hampshire Secretary of State as an LLC.

RMA serves industrial, commercial, institutional clients for all utilities in all regions of the state.

Telephone: 603-496-4260
Fax: 1-888-436-7176 (toll free)
Website: www.RMAenergy.net
e-mail: rmjsc@mcttelecom.com

I ask that the re-registration fee be waived. New business is often non-existent due to market and regulatory conditions.

If you require additional information or have any questions feel free to contact me.

Very truly yours,

Roy Morrison, President
Roy Morrison & Associates, LLC
