Re: DM 08-046 Notification of Global Montello Group Corp.'s Intent to Renew Its
Registration as a Provider of Electric Aggregation Service

Dear Mr. Bowersox:

This is to confirm that the New Hampshire Public Utilities Commission (Commission) has received Global Montello Group Corp.'s (Global Montello) notice of intent to renew its registration as a provider of electric aggregation service in New Hampshire pursuant to Puc 2003.02. Staff has reviewed the application provided and believes that it meets the requirements of Puc 2003.02. Based on Staff's recommendation and the Commission's review, the Commission approves Global Montello's renewal of its registration as a provider of electric aggregation service in New Hampshire.

Please note the following provision of Puc 2003.02 (f): "[E]ach aggregator shall re-file with the commission an up-to-date written notice of intent to provide service as an aggregator every 2 years on or before its original notice anniversary date." Global Montello's original notice anniversary date is April 5, 2006 and therefore it is required to re-file an up-to-date written notice on or before **April 5, 2010** if it continues to offer and provide electric aggregation service. In addition, Global Montello is subject to the provisions of Puc 2004.03, telephone solicitation of customers, and Puc 2004.07, customer protections provided by aggregators.

If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Very truly yours,
