Dear Ms. Howland:

Attached please find the original and six (6) copies of the revised Direct Testimony of Jim L. Lenihan, Utility Analyst of the Gas & Water Division for the above referenced docket. Mr. Lenihan has revised page 8 of his testimony to make clear that Staff supports the company's temporary rate proposal but with the exception that the effective date occur no sooner than the date all customers have been noticed of the requested increase.

If you have any questions or concerns, please feel free to contact me.

Sincerely,
