Dear Ms. Howland:

As required by the Commission's Order No. 24,859 dated May 30, 2008, in the above referenced Docket, enclosed for filing with the Commission is a copy of New Hampshire Department of Environmental Services Wetland and Non-Site Specific Permit 2007-02214, issued to PSNH for the wetlands impacts associated with the V-182 transmission line rebuild project, inclusive of the impacts associated with the crossing of Turtle Town Pond in Concord.

Thank you for your attention to this matter.

Very truly yours,
