Gentlemen;

Regarding Pennichuck's petition for a 25% rate hike, I strongly request that you deny this spurious request and, if necessary, give them the same cost of living increase that the rest of us get. Not only is this an outrageous amount, but it comes at a time when the general public is trying to pay their property taxes for the year. My wife and I are both senior citizens and we are already paying more than 30% of our gross income for taxes and medications. When we have to live on a fixed income, I don't see why Pennichuck can't do the same.
Sincerely,
