RE: Unitil Energy Systems, Inc. (UES) Short-Term Debt Limit

Dear Director Howland:

Pursuant to the Settlement Agreement dated September 18, 2009 in Docket DE 08-085, UES hereby submits its annual update to its short-term debt limit.

UES' short-term debt limit to be effective from June 1, 2019 through June 1, 2020 will be \$32.3 million.

UES reported Net Utility Plant of \$222,997,507 as of December 31, 2018 in its FERC Form 1. In the Settlement Agreement, the parties agreed to a short-term debt limit equal to ten percent of Net Utility Plant plus \$10 million. Ten percent of Net Utility Plant plus \$10 million results in a short-term debt limit of \$32.3 million.
