Dear Ms. Howland:

Enclosed are an original and two copies identifying additions of proposed revisions to our N.H.P.U.C. No. 8 Telephone, Section 2, 1st Revised Page 12, 3rd Revised Page 33 and Original Page 33A, filed effective August 1, 2008. This filing discontinues our Centrex- Small Business Package to new customers and increases the rates of our Centrex Service tariff. The proposed monthly rate for Centrex Service is comparable to the rate increase approved for Business Local Exchange Service in Order No. 24,621 dated May 12, 2006 in our rate case DT 05-133. We have also moved from one rate matrix for all exchanges to two rate matrices, one for Chester and Weare and one for Hillsboro Upper Village and Washington.

Please date stamp the copy of this letter and return for our files.

Very truly yours,

A handwritten signature in black ink, appearing to read "CHRISTIAN H. RAND".
