Re: DT 09-007 segTEL Request for Fast Track Arbitration
Motion for Partial Reconsideration and Request for Investigation

Dear Ms. Howland:

On April 16, 2009, by Secretarial Letter, the New Hampshire Public Utilities Commission (Commission) adopted the arbitrator's findings in Docket No. DT 09-007 regarding the provision of certain dark fiber to segTEL, Inc. (segTEL) by FairPoint Communications (FairPoint). segTEL respectfully requests that, pursuant to RSA 541:3 and RSA 365:4, the Commission reconsider the arbitrator's findings with respect to Appendices 2, 8 and 11, and to open an investigation to determine whether FairPoint's dark fiber procedures and policies are in compliance with its tariff and all applicable rules and laws.

Attached is segTEL's Motion and Request. While segTEL makes reference to confidential information in its Motion and Request, there is no confidential information herein, and, accordingly, no need for separate confidential and redacted versions.

Sincerely,

Kath Mullholand
Director of Operations
