Re: Docket No: DE 09-008, Application of Indeck Energy-Alexandria, Qualification of Alexandria Energy Center as a Class I Renewable Resource.

To Whom It May Concern,

Please accept the attached emission data for Quarter 4, 2010 from the Indeck-Alexandria Energy Center. The attached data demonstrates that the Indeck-Alexandria Energy Center meets the emission requirements for the New Hampshire Renewable Portfolio Standard for a Class I biomass unit. I attest to the following:

That I, Timothy J. Chase, Plant Manager, Indeck-Alexandria Energy Center, certify that I have personally examined the foregoing and am familiar with the information contained in this document and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the information is true, accurate, and complete.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Timothy J. Chase".

Timothy J. Chase
Plant Manager
