

**Exhibit GRM-4**

Granite State Electric Company d/b/a National Grid  
Investigation of 2008 Lead/Lag Study  
Docket No. DE 09-010  
Staff Data Requests – Set No. 1  
April 10, 2009

Staff 1-19

Request:

Assume the Company is required to pay a particular default service power supply bill on a specific date. Will the payment typically made at the beginning, end or mid-point of that day?

Response:

The payment is typically made towards the end of the business day. The payment must be in the default service power supplier's account by 3:30 pm.
