DISTRIBUTION SERVICE RATE**

Earning Sharing Compliance Filing

SUPPLEMENTAL ORDER OF NOTICE

On June 9, 2014, Public Service Company of New Hampshire (PSNH) filed a notice with the Commission of a reduction to its distribution revenues effective with service rendered on and after July 1, 2014 consistent with the terms of a settlement agreement approved by Order No. 25,123 (June 28, 2010) in PSNH's most recent distribution rate case. Order No. 25,123 at 33-34. Pursuant to section 4.4 of the settlement agreement, PSNH is permitted to retain any earnings it achieves between the allowed return on equity (ROE) of 9.67% and 10.00%. For any earnings over 10.00% on a rolling average basis, reported quarterly, the Company is required to return 75% to customers.

PSNH reported that based on the results of the 12 months ending in the first quarter of 2014 and consistent with the settlement agreement, PSNH will refund to customers in its distribution rates \$1.312 million, which is 75% of the amount (\$1.749 million) that exceeds 10.00% of PSNH's ROE for the period. Pursuant to the settlement agreement, the reduction to PSNH's distribution revenues will take place coincident with other rate adjustments, will remain in effect for one year and will be applied on an equal basis to all customer classes. The decrease of \$1.312 million due to the Earnings Sharing Adjustment results, approximately, in a \$0.00016

per kWh rate decrease or a reduction to an average monthly residential bill of 10 cents for customers using 650 kWh per month.

In addition to the proposed adjustment the adjustment to its distribution rate, PSNH proposes for effect July 1, 2014 a mid-term adjustment to its stranded cost recovery charge in Docket No. DE 13-274, an adjustment to energy service charge in Docket No. DE 13-275, and a change to its Transmission Cost Adjustment Mechanism (TCAM) in Docket No. 14-134, all of which have hearings scheduled for June 24, 2014. The hearing in Docket No. DE 13-274 is scheduled for 10:00 a.m. followed by a hearing in Docket No. DE 13-275 at 10:30. The hearing in the TCAM docket is scheduled for June 24, 2014 at 1:30 p.m. followed by the hearing in the instant docket, scheduled for 3:00 p.m. on June 24, 2014.

The filing raises, inter alia, issues related to whether the earnings share calculation is appropriately calculated and whether the rate change is just and reasonable and in the public interest. Each party has the right to have an attorney represent the party at the party's own expense.

Based upon the foregoing, it is hereby

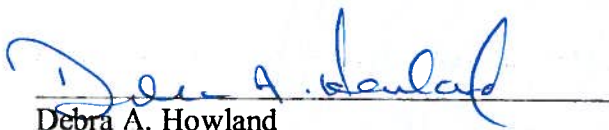

ORDERED, that a Hearing pursuant to N.H. Code Admin. Rules Puc 203.12, be held before the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on June 24, 2014 at 3:00 p.m.; and it is
