

June 10, 2009

Debra Howland  
Executive Director  
New Hampshire Public Utilities Commission  
210 South Fruit St, Ste 10  
Concord, NH

Dear Ms. Howland:

Re: Docket No. **DT 09-044** New Hampshire Telephone Association  
Petition for an Investigation into the Regulatory Status  
of IP Enabled Voice Telecommunications Services  
**Petition to Intervene of segTEL, Inc.**

By this letter segTEL, Inc. petitions to intervene in the above-named docket.

segTEL has a substantial interest in this proceeding since it is a public utility providing competitive service in New Hampshire. Therefore, segTEL's rights, duties, privileges and other substantial interests could be affected by a Commission determination concerning, among other things, whether IP Enabled Voice Telecommunications Services are utility service, and to what extent and under which regime such services are subject to inter-carrier compensation.

Sincerely,

A handwritten signature in dark ink, appearing to read "Kath Mullholand".

Kath Mullholand  
Director of Operations  
segTEL, Inc.
