RE: DE 09-054 Residential Renewable Energy Generation Incentive Program

Dear Ms. Howland:

I am writing to provide the comments of the Office of Consumer Advocate on the draft application in the above-referenced docket. I have attached our comments in a redlined version of the draft application.

We appreciate all of Staff's work in developing this new exciting new renewable energy rebate program, and we look forward to residential customers having the opportunity to participate in it.

As always, please do not hesitate to contact me if you require further information.

Respectfully,

A handwritten signature in blue ink, appearing to read "M. Hatfield".
