N.H. Public Utilities Commission
21 South Fruit Street, Suite 10
Concord, N.H. 03301

Dear. Ms. Howland,

Please add my name to the service list for Order #DE 09-067. I am a resident of Berlin and a member of a volunteer committee working to develop potential community benefits proposals for the proposed Laidlaw biomass plant. In addition, in my professional capacity, I am managing a project focused on ensuring that renewable energy production and transmission in the North Country considers the long term, tangible benefits for the region's residents and natural assets. If you choose to service by e-mail please use rs@nhcf.org. My mailing address is below. Thank you for your consideration.
