**Motion for Confidential Treatment of Financial Information**

Petitioner, Buckley Energy Group, Ltd. dba Santa Buckley Energy ("Santa Buckley Energy" or the "Company"), pursuant to New Hampshire PUC Administrative Rule 203.08 hereby requests the Public Utility Commission ("Commission") grant this Motion for Confidential Treatment of Financial Information ("Motion") and order that Santa Energy Corporation Combined Financial Statements August 31, 2008 and 2007 referred to herein be treated as confidential, thereby precluding them from being disclosed to the public. In support of this Motion, Santa Buckley Energy submits the following:

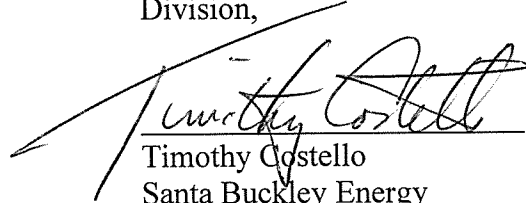

1. Santa Buckley Energy is a registered retail supplier of natural gas in New Hampshire, its renewal approved by letter from the Commission dated May 21, 2009.
2. Santa Buckley Energy's parent corporation financial statements were filed as an attachment to its renewal application in response to Section E of the registration requirements.
3. Santa Buckley Energy now seeks to submit this motion to ensure that the financial statements are treated as confidential.
4. The financial statements Santa Buckley Energy seeks to make confidential are within the exemptions permitted by RSA 91-A:5, IV.
5. Santa Buckley Energy's parent is a privately held corporation. The Company's financial statements are not made available to the general public or published elsewhere.
6. When circumstances require the Company to provide its financial statements to a third party, confidential treatment is sought through appropriate means to prevent public disclosure.
7. Disclosure of Santa Buckley Energy's parent corporation financial statements would put the Company at a competitive disadvantage.
8. The above are set forth as sufficient grounds on which the Commission may grant this Motion.

Wherefore, Santa Buckley Energy hereby respectfully requests the Commission grant this Motion for Confidential Treatment of Santa Energy Corporation's Combined Financial Statements August 31, 2008 and 2007.

Respectfully submitted,

SANTA BUCKLEY ENERGY
