Re: DM 09-159, TransCanada Power Marketing Ltd.
Renewal of Registration to Supply Competitive Electric Service in New Hampshire

Dear Mr. Ormsbee:

This is to confirm that the New Hampshire Public Utilities Commission (Commission) has received TransCanada Power Marketing Ltd.'s (TCPM) application to renew its registration as a competitive electric power supplier in New Hampshire pursuant to Puc 2003.01. Staff has reviewed the application provided and believes that it meets the requirements of Puc 2003.01. Based on Staff's recommendation and the Commission's review, the New Hampshire Public Utilities Commission will approve TCPM's application to have its registration as a competitive electric power supplier (CEPS) renewed.

Please bear in mind the following provision of Puc 2003.01 (h): "[E]ach CEPS shall re-register with the commission every 2 years on or before its original registration anniversary date by filing with the commission an application for renewal. If a CEPS fails to meet its re-filing obligation, the original registration shall expire." TCPM's original notice anniversary date was October 14, 1999 but it failed to meet the re-filing obligation in 2005. TCPM's original anniversary date was subsequently changed to August 28, 2005. TCPM therefore is required to re-register on or before **August 28, 2011**. In addition, TCPM will also be subject to the provisions of Puc 2004.03, telephone solicitation of customers, and Puc 2004.07, customer protections provided by aggregators.

If you have any questions regarding this provision, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".
