Re: DT 09-175, Traffic Exchange Agreement between TDS Telecommunications Corporation (TDS) and Comcast Phone of New Hampshire, LLC (Comcast Phone)

Dear Ms. Martone:

On September 21, 2009, TDS and Comcast Phone jointly filed with the New Hampshire Public Utilities Commission (Commission) a negotiated Traffic Exchange Agreement (Agreement). The Agreement was filed pursuant to Section 252(e) of the Telecommunications Act of 1996, 47 U.S.C. § 252(e). The Agreement sets forth terms and conditions that will facilitate the provision of telecommunications service by Comcast Phone in New Hampshire.

While the substance of the Agreement was negotiated, Docket No. DT 08-162 resolved an issue arbitrated by the Commission. In its final order in DT 08-162, Order No. 25,005 dated August 13, 2009, the Commission approved the subject Agreement. Accordingly, no further action is required of the Commission.

Docket No. DT 09-175 has been assigned should future filings in this matter be required.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
