Subject: PSNH ES Rate filing - Service List

Good Morning,

A colleague provided the attached copy of the PSNH testimony for the PSNH Energy Service rate and I would like to be added to the service list. I am uncertain of the current docket number and equally unsure of future dockets regarding the PSNH Energy Service rate. As such, I do not know how to request being added to this and future filings and testimonies that will be related to the PSNH Energy Service rate.

Can you please help me with the process of adding my name to the service list associated with all Energy Service rates of PSNH?

Thank you,

Douglas Langdon
