Re: DE 09-186, Public Service Company of New Hampshire  
Proposed Renewable Default Energy Service Rate  
Extension of Time

To the Parties:

On January 5, 2010, Staff filed a request to extend the time to file a settlement agreement pursuant to the procedural schedule in the above referenced proceeding. According to Staff, the parties are close to reaching an agreement but will require additional time to file the settlement.

The Commission has determined that extending the time will not unduly delay the proceeding or adversely the rights of any party. Accordingly, the request to file the settlement agreement by January 8, 2010 has been granted.

Sincerely,

A handwritten signature in blue ink, appearing to read "Debra A. Howland".

Debra A. Howland
