SUBJECT: DT 09-195 FairPoint Communications – NNE NHPUC Tariff No. 84
Revision –Miscellaneous Network Services Rates

TO: Debra Howland, Executive Director

On October 13, 2009 Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (FairPoint) submitted a tariff filing to remove portions of the Additional Copies of Bills and Reports services which no customers utilize any longer.

The purpose of the revision is to remove the non-recurring charge per diskette, magnetic tape, and magnetic cartridge. The revision also adds a Bill Data Tape option at no charge. The prices of the remaining qualifying services, per paper copy and per CD ROM continue to be the same as the prior tariff revision.

Staff recommends that the tariff go into effect by operation of law.
