Investigation into Status of Public Utility  
Procedural Schedule

To the Parties:

On July 8, 2010, a duly noticed prehearing conference was held in the above referenced proceeding. At the prehearing conference, the parties and Staff offered to provide a proposed procedural schedule within seven days of the hearing. The following schedule was submitted to the Commission by letter from Staff dated July 13, 2010:

Data Requests to Lamplighter due no later than	07/23/10
Data Responses from Lamplighter due no later than	08/06/10
Technical Session	08/17/10 at 9:30 a.m.
Staff and the Parties file Stipulation of Facts	08/27/10
Amend Motion to Dismiss & Objection and filing of Supplemental Briefs	09/27/10

The Commission has determined that the proposed schedule is in the public interest and therefore has approved it. For administrative efficiency, the Commission has elected to issue this Secretarial Letter as its prehearing order in this proceeding.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".
