Re: DG 10-017, EnergyNorth Natural Gas, Inc. d/b/a National Grid NH
Rate Case
Late Intervention

To the Parties:

On August 9, 2010, Conservation Law Foundation (CLF) filed a Petition to Intervene Out of Time in the above referenced proceeding. No objections to the intervention request have been filed.

CLF indicated in its petition a willingness to abide by the procedural schedule established for the docket. Therefore, the Commission has determined that no party will be prejudiced by the granting of the CLF petition, which is consistent with the applicable standards for intervention. Accordingly, CLF is granted intervenor status.

Sincerely,
