**Re: Docket No. DE 10-020: Granite State Electric Company d/b/a National Grid  
Default Service Rates; Sixth Loss Factor Report**

Dear Ms. Howland:

On March 22, 2010, the Commission issued Order No. 25,083 approving Granite State Electric Company d/b/a National Grid's ("National Grid") default service rates. In that order, the Commission required that the Company submit a report by March 31, 2010 and every quarter thereafter until its Tewksbury meter is replaced detailing all power cost re-settlements with ISO-NE relating to measurement or modeling problems linked to the meter. The purpose of this letter is to provide the Commission with the sixth such report.

For the period April 1, 2011 through June 22, 2011, there were no edits to the Tewksbury meter.

The Company will continue to provide these quarterly reports until the Tewksbury meter is replaced. Should you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Jinjue Pak
