Re: DT 10-025 FairPoint Communications, Inc., et al. – Reorganization

Dear Ms. Howland:

Enclosed for filing are two (2) copies each of the following documents which have been filed by FairPoint Communications, Inc., et al., in the United States Bankruptcy Court for the Southern District of New York:

1. Notice of Filing of First Supplement to Plan Supplement;
2. Notice of Filing of Blackline of Modified Credit Agreement (Item 7 to Plan Supplement);
3. Debtors' Modified Second Amended Joint Plan of Reorganization under Chapter 11 of the Bankruptcy Code (clean version); and
4. Debtors' Modified Second Amended Joint Plan of Reorganization under Chapter 11 of the Bankruptcy Code (blackline version).

Electronic copies of these documents are also enclosed on compact disk.

Given the voluminous size of these documents and the availability of electronic versions, FairPoint respectfully requests a waiver of the requirement to file seven copies of each document pursuant to Puc 203.02(a)(1). FairPoint respectfully submits that such a waiver would serve the interest and not disrupt the orderly and efficient resolution of the matters before the Commission in this docket. The amount of copying is onerous, and the submission of the documents electronically serves the purpose of Rule Puc 203.02. If the Commission determines that the additional paper copies are needed, please let me know and we will furnish them immediately.
