Re: Docket No. DG 10-041 EnergyNorth Natural Gas, Inc. d/b/a National Grid NH
2010-2015 Integrated Resource Plan
Corrected Staff Testimony

Dear Ms. Howland:

On Friday, September 27, 2010, Staff filed the testimony of George R. McCluskey. The testimony was provided to the service list. Since its filing and distribution, Staff discovered factual errors in the testimony as well as formatting errors.

The factual errors pertain to statements on page 14 line 5 regarding the location of (LNG) facilities which incorrectly states the city of Nashua and should state Concord. The second error is in the same paragraph where the docket number 10-055 was incorrect and should state 10-017, line 8. Also on page 27, footnote 24 the terms "provide source" have been removed. On page 13, first paragraph, the answer testimony was in a single space format that has now been modified to double spacing which resulted in a change in the table of contents for IV. A. GDS Report Recommendations which now begins on page 20. Pursuant to N.H. Code Admin. Rule Puc 203.10 (c), please accept the attached version of the testimony of George R. McCluskey as a replacement of the version filed on September 27, 2010. This replacement version is being filed to correct the factual errors contained in the testimony filed.

I have alerted the parties to this docket of the factual errors and that Staff would be making this filing.

Thank you in advance for your assistance with this filing.

Sincerely,

A handwritten signature in blue ink that reads "Marcia A. B. Thunberg".

Marcia A. B. Thunberg
Staff Attorney
