EXHIBITS

- Exhibit A -- Nature of Service
- Exhibit B -- New Hampshire Secretary of State
- Exhibit C -- Request for Waiver of Surety Bond
- Exhibit D -- CLEC-1, Contact Information
- Exhibit E -- Rate Schedule
- Exhibit F -- CLEC 11, Adoption of Model Tariff
- Exhibit G -- Contact Escalation List

Exhibit A -- Nature of Services

Upon initiation of service in New Hampshire, TRIARCH MARKETING, INC., (Triarch) proposes to offer resold local exchange services, and local services using Unbundled network elements purchased from FairPoint Communications Inc. through a wholesale commercial agreement. Such services will be provided by utilizing FairPoint Communications Inc. facilities. Triarch intends to provide all forms of intrastate local exchange telecommunications services including:

- A. Local Exchange Services for business and residence customers that will enable customers to originate and terminate local calls in the local calling area served by FairPoint Communications Inc., including local dial tone and custom calling features..
- B. Switched local exchange services, including basic service, trunks, carrier access, and any other switched local services that currently exist or will exist in the future.
- C. Non-switched local services (e.g., private line) that currently exist or will exist in the future.
- D. Centrex and/or Centrex-like services that currently exist or will exist in the future.
- E. Digital subscriber line, ISDN, PRI, and other high capacity line services.

Triarch seeks authority to resell and provide local exchange services initially throughout the State in the areas served by FairPoint Communications Inc. Since Applicant will providing service initially in the same local exchanges as service is provided by FairPoint Communications Inc., which has service area maps on file with the Commission, no maps of the proposed service area are being filed by Applicant, and Applicant hereby concurs with such maps and respectfully requests a waiver of the requirement to file service area maps.

Exhibit B -- New Hampshire Secretary of State

State of New Hampshire

Department of State

Residential Local Exchange Rates (Continued)

Directory Assistance

Customers will access to Directory Assistance through 1-8XX toll free access.

Operator Assistance

Customers will have access to local operator services only within the limitations imposed by the presence of the underlying carrier's toll restriction and billed number screening services.

Directory Listings

The Company shall provide for a single directory listing in the telephone directory published by the underlying carrier in the Customer's exchange area.

In order for listings to appear in an upcoming directory, the Customer must subscribe to service from the Company in time to meet the directory-publishing schedule.

Directory listings are provided in connection with each Customer's service as specified herein:

- A. Primary Listing: The listing shall include the first and last name of the Customer. The listing will also include the Customer's address.
- B. Non-published Listings: A Non-published telephone number will be furnished at the Customer's request providing for the omission or deletion of the Customer's telephone listing from the telephone directory and the directory assistance records.
- C. Non-Recurring Charges: Non-Recurring charges associated with Directory Listings are as follows:

Non-published number	\$20.00
(per line no charge if included in Customer's original service order)	
- D. Recurring Charges: Monthly Recurring charges associated with Directory Listings are as follows:

Non-published number	\$7.00
----------------------	--------

Residential Local Exchange Rates (Continued)Miscellaneous Fixed Non-Recurring Charges:

Change Telephone Number	\$25.00 (per line)
Transfer Account to New Address	\$60.00 (per line)
Reconnect Previous Customer	\$60.00 (per line)
Late Charge	1.5% (of the balance due)
Service Order Charge	\$20.00
(each time changes are made to a telephone number)	
Service Extension Fee	\$5.00

Miscellaneous Variable Non-Recurring Charges

For any incidental charges which appear on the Company's billing from the underlying carrier (e.g., directory assistance, call tracing, etc.), the charges are passed through to the Customer.

Emergency Services (Enhanced 911)

Allows Customers to reach appropriate emergency services including police, fire and hospital. Enhanced 911 has the ability to selectively route an emergency call to the primary E911 provider so that it reaches the correct emergency service located closest to the caller. In addition, the Customer's address and telephone information will be provided to the primary E911 provider for display at the Public Service Answering Point (PSAP).
