AFFIDAVIT OF COMPLIANCE

Thomas Thibault & Wendy Chase

RE: Freedom Village Condominium Association & North Country Water Company
Purchase of Water System

My name is Thomas Thibault and I am the President of the Freedom Village Condominium Association. Upon receipt of Order # 25,128 dated July 7, 2010 from the Public Utilities Commission approving the Association's purchase of our water system from North Country Water Company, I instructed our property management company, Great North Property Management, Inc. to prepare and send out notice of the Order to all of the owners of units at Freedom Village as required by the Order. Attached to this affidavit is a copy of the letter that was posted on July __, first class mail to all owners. There are 66 units in the Condominium.

The Order also required notice to be sent to the Freedom Village Town Clerk by July 16. Great North inadvertently did not send the Clerk its copy on or before July 16 but as soon as the oversight was discovered, a copy was sent: on July 27, 2010.

My name is Wendy Chase and I am the property manager for Freedom Village. I was responsible for sending out letters in compliance with the PUC Order. I sent the attached letter to all 66 owners on July __ and to the Freedom Town Clerk on July __.
