2009 Stranded Costs Recovery and Energy Service Reconciliation
Docket No. DE 10-121

Dear Secretary Howland:

Enclosed please find the original and six copies of Public Service Company of New Hampshire's ("PSNH") Motion for Protective Order regarding Renewable Energy Certificates ("RECs") Sales in 2009 submitted in response to Staff Data Request Set No. 01, Request 005. Request 005 seeks information and documentation for the average REC sales price of \$39.22. The response shows individual contract volumes and price per REC for each sale. In the aggregate, PSNH sold 319,847 RECs for a total purchase price of \$12,545,062. PSNH considers the number sold and prices contained in individual REC sales contracts to be confidential financial information.

Pursuant to Puc §203.08 (c), documents supplied under a motion for confidential treatment shall not be disclosed publicly until the Commission rules on the motion. Copies of this letter and the Motion were supplied to all parties pursuant to NH Code Admin. Rule Puc §203.11

Thank you for your cooperation in this matter.

Very truly yours,

Gerald M. Eaton
