Witness: Robert A. Baumann
Request from: TransCanada

Question:

Please reference the July 30, 2010 prefiled testimony of Robert A. Baumann on behalf of PSNH in this docket, page 7, lines 20-24, please explain how long you expect the migration levels PSNH is currently experiencing to last and whether you believe they will ever be experienced again.

Response:

PSNH believes that migration will decrease and may if fact reverse as the economy improves. Whether the migration levels PSNH is currently experiencing will last, or will ever be experienced again, is similarly tied to the state of the national and global economies..
