RE: DE 10-195 PSNH

Petition for Approval of Power Purchase Agreement between PSNH and Laidlaw Berlin BioPower, LLC; Revised OCA Confidential Testimony

Dear Ms. Howland:

Enclosed for filing please find an original and six copies of a revised confidential version of testimony of Kenneth E. Traum on behalf of the Office of Consumer Advocate (OCA), along with the Errata sheet showing the changes. The revision to Mr. Traum's testimony is necessary as a result of a filing made on January 18, 2011 by PSNH in DE 10-257, PSNH's 2011 Energy Service Rate. In that filing, PSNH has released a figure related to the pricing of RECs which was included in Mr. Traum's testimony in the Laidlaw PPA case but was marked confidential. As a result, the full text of Mr. Traum's testimony is now public, and we also now have a redacted version of Attachment KET-7 to Mr. Traum's testimony. However, the enclosed confidential version of the testimony is still necessary due to other Attachments that still contain confidential information.

This public version, filed under separate cover, has been provided to the parties via email. The confidential version will be provided to the parties who are authorized to receive it.

Thank you for your assistance. Please do not hesitate to contact me if you require additional information.

Respectfully,

Meredith A. Hatfield
Consumer Advocate
