Dear Mr. Ladam:

Please find enclosed an Application for CLEC status in New Hampshire. New Hampshire Optical Systems (NHOS) will be beginning to provide Ethernet Line Service, but no local voice service.

NHOS is excited to begin providing this service in NH, and look forward to working with the PUC, and the Utilities as we move forward.

Once again, thank you for your consideration of this CLEC application, and please don't hesitate to contact me (cell -978-808-0347) if I can provide any further information or answer questions.

Sincerely,
