Re: DG 10-230; EnergyNorth Natural Gas, Inc d/b/a National Grid NH
Winter 2010-11 Cost of Gas
REDACTED SCHEDULE 4 OF COG FILING

Dear Ms. Howland:

On September 1, 2010, EnergyNorth Natural Gas, Inc. d/b/a National Grid NH (the "Company") filed with the Commission confidential and redacted versions of its Winter 2010-11 cost of gas filing (the "COG Filing") and a Motion for Protective Order requesting protective treatment of the confidential information contained therein. The Company submitted a redacted version of Schedule 4 of the COG Filing, bearing the bate stamp number 00000011, but inadvertently included in the redacted version, certain confidential commercial information that requires protective treatment.

At the Company's request, the Commission's staff removed Schedule 4 from the Commission's website. Enclosed for filing please find seven copies of the new redacted version of Schedule 4, which the Company requests the Commission substitute for and accept in place of the previously filed version. Also enclosed is a CD-ROM containing the new redacted version of Schedule 4 in electronic form, together with, for your convenience, the entire COG Filing with the new redacted Schedule 4 inserted therein. The enclosed version of Schedule 4 is covered by and subject to the above-referenced Motion for Protective Order.
