Dear Ms. Howland:

On September 24, 2010, FairPoint originally filed this contract. This filing revises the Contract Overview page by correcting the term of the contract.

In accordance with New Hampshire RSA §378:18(b), I have enclosed the original and seven (7) copies of the corrected Contract Overview page in the special contract between FairPoint Communications, Inc. and Edward D. Jones & Co., L.P. c/o Symphony Services for filing with the New Hampshire Public Utilities Commission.

As part of and in support of its filing, FairPoint Communications, Inc. submits records and information that are subject to confidential treatment pursuant to RSA 378:43. These records, which have been marked "confidential", pertain to the provision of competitive services; set forth trade secrets or other confidential information falling within the scope of RSA 378:43, II(b); and are not general public knowledge or published elsewhere, the Company having taken measures to prevent dissemination of the records and information in the ordinary course of business.

Thank you for your attention in this matter.
