**Re: DG 11-040 Granite State Electric Company and EnergyNorth Natural Gas, Inc.
Transition Services Monthly Report – February 2013**

Dear Ms. Howland:

On behalf of Granite State Electric Company and EnergyNorth Natural Gas, Inc., this monthly report is provided pursuant to Section V(C)(1)(b) of the Settlement Agreement in DG 11-040 approved by Order 25,370.

Please note Liberty Utilities has not received a TSA statement from National Grid since November 2012. Data for "Attachment A: Transition Services Monthly Report and Supporting Detail" is provided using the November 2012 statement.

In the next couple of weeks, Liberty Utilities expects to receive final November and December invoices based on negotiated final balances, as well as January and February actuals that include fully loaded labor by TSA and estimates for non-labor charges. These invoices will be included in the March 2013 filing.

Thank you for your assistance with this matter. Please do not hesitate to contact me should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "ChristiAne G. Mason". Below the signature, the letters "PJR" are handwritten.
