Re: DM 11-055, Notification of Taylor Consulting and Contracting, LLC's Intent to Provide Electric Aggregation Service

Dear Ms. Tomaine:

This is to confirm that the New Hampshire Public Utilities Commission (Commission) has received Taylor Consulting and Contracting, LLC's (Taylor)'s notice of intent to provide electric aggregation service in the State of New Hampshire, pursuant to New Hampshire Administrative Rules Puc 2003.05. Staff has reviewed the application provided and believes that it meets the requirements of Puc 2003.05. Based on Staff's recommendation and the Commission's review, the Commission approves Taylor's to renew its registration as a provider of electric aggregation service in New Hampshire.

Please note the following provision of Puc 2003.05 (f): "[E]ach approved aggregator shall re-notify the commission after the initial 2 year period, or after the 5 year renewal period as applicable, by filing with the commission an application for renewal at least 60 days prior to the expiration of the currently effective registration." Taylor's original notice anniversary date is April 22, 2009 and therefore it is required to refile an up-to-date written notice on or before **February 23, 2016** if it continues to offer and provide electric aggregation service. In addition, Taylor is subject to the provisions of Puc 2004.03, telephone solicitation of customers, and Puc 2004.08, customer protections provided by aggregators.

If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".
