Re: DA 11-064, National Grid USA Service Company, Inc.
Service Contracts for the Period April 1, 2011 through March 31, 2012
Docket Closure

To the Parties:

On March 28, 2011, National Grid USA Service Company, Inc. (Grid) filed service contracts with the following four affiliates: EnergyNorth Natural Gas, Inc. d/b/a National Grid NH, Granite State Electric Company, d/b/a National Grid, New England Power Company, New England Electric Transmission Corporation and New England Hydro-Transmission Corporation for the period April 1, 2011 through March 31, 2012. The services provided under the service contracts as well as the terms and conditions remain unchanged as compared to service contracts for the prior year with the exception that each contract has been extended for one year until March 31, 2012, and a change in the location reference in Schedule II under "Facilities, Grounds and Buildings" accommodates the fact that service company facilities are in more than one location.

This letter serves as an acknowledgement that EnergyNorth Natural Gas, Inc. d/b/a National Grid NH, Granite State Electric Company, d/b/a National Grid, New England Power Company, New England Electric Transmission Corporation and New England Hydro-Transmission, pursuant to the requirements of RSA 366:3, has filed a verified copy of a contract between public utility and an affiliate for the provision of services in exchange for compensation that exceeds \$500. This acknowledgement does not constitute approval of any rate or revenue documents. As any issue that may arise under each contract may be addressed in another docket or through the opening of a new docket, the Commission will not open an investigation at this time under RSA 366:5, will accept the contracts as filed, and will close this docket.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
