**RE: DG 11-069 Northern Utilities, Inc. - Rate Case**  
**Temporary Rate Settlement Errata and Scheduling Change**

Dear Ms. Howland:

It has come to our attention that there are two minor errors in the Temporary Settlement Agreement filed on behalf of the Settling Parties (Northern, OCA and Staff) on July 7, 2011 in the above-reference docket.

First, on page 1, part A in the Introduction, the word "million" appears after the temporary rate level in error. Second, after the "Wherefore" clause on page 4, there is a reference to electric service rates that should be to gas service rates.

Thank you on behalf of the Settling Parties for considering these corrections.

In addition, at the OCA's request, the Parties have agreed to make a change to the procedural schedule in this case, by changing the two-day technical sessions in September from the 14<sup>th</sup> and 15<sup>th</sup> to the 15<sup>th</sup> and 16<sup>th</sup>. We appreciate the parties' willingness to make this change, and we request that the Commission approve it.

Please do not hesitate to contact me if you require additional information.

Respectfully,

A handwritten signature in blue ink, appearing to read "M. Hatfield".
