Re: DM 11-075, PNE Energy Supply, LLC  
Request to Expand Service Area

Dear Mr. Rodier:

On February 28, 2014, PNE Energy Supply, LLC (PNE Energy), a competitive electric power supplier currently authorized to provide service in the franchise areas of PSNH and Unitil Energy Systems, filed a request to expand its service area to include the Granite State Electric Company (GSEC) region of National Grid. In a memo to the Commission, Staff clarified that, although the certificate included with PNE Energy's filing was issued by National Grid for service in the GSEC region, ownership of GSEC had been transferred by National Grid to Liberty Utilities (Liberty), and that, during a transition period following the change in ownership, National Grid continues to perform EDI certifications for GSEC until the transition is completed.

Staff reviewed the filing and recommended that the Commission approve PNE Energy's request, and the Commission has approved the request. Accordingly, PNE Energy is authorized to expand its service area to include the GSEC franchise area of Liberty, effective as of the date of this letter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Debra A. Howland".
