Re: DE 11-158, Palmeri, LLC Application for Renewable Energy Credits Pursuant to  
RSA 362-F. Request for Additional Information

Dear Mr. Palmeri:

On July 18, 2011, the New Hampshire Public Utilities Commission (Commission) received an application from Palmeri, LLC requesting certification for the 2302 Columbia Circle, Merrimack photovoltaic facility as a Class II renewable energy source pursuant to RSA 362-F, New Hampshire's Renewable Portfolio Standard law. Staff has reviewed your application and has noted that you have not selected an independent monitor. Puc rule 2505.08, Certification of Certain Customer-Sited Sources item (b)(5) requires that you provide the name and contact information of the independent monitor of the source. Otherwise, all the information needed to process your application has been provided.

Until notification of an independent monitor is received by the Commission your application cannot be processed. If the requested information and documentation are not provided within ten business days, your file will be closed without prejudice. Please refer to docket number DE 11-158 in any future correspondence with the Commission. Should you have any questions, please do not hesitate to contact me. My phone number is 603-271-6011 and my e-mail address is [barbara.bernstein@puc.nh.gov](mailto:barbara.bernstein@puc.nh.gov).

Sincerely,

A handwritten signature in cursive script that reads "Barbara Bernstein".
